

Md. Rakib Hasan, Assoc. AIA

ARCHITECTURAL DESIGNER | FACADE DESIGN & CONSTRUCTION ADMINISTRATION | 5 YEARS INTERNATIONAL PRACTICE

📍 Seattle, Washington ✉️ rakibhasan.wsu@gmail.com

🌐 rakibwsu 📺 Vimeo: Architectural Animations

Authorized to work in the US through May 2027 on F-1 OPT, eligible to extend to May 2029 under STEM OPT. No sponsorship required to begin employment.

Work Experience

The Miller Hull Partnership, LLP

Seattle, Washington, United States

Architectural Intern

Jun 2026 - Aug 2026

- Conducted LEED Platinum daylight studies in ClimateStudio and Rhino and created Revit parametric families for the Veterinary Education Pavilion and Primary Care Hospital, a \$90M UC Davis competition entry that placed Top 3 Finalist.
- Contributed to a phased redevelopment master plan for a San Diego marina site, producing AI-generated (Nanobanana) watercolor-style plans and perspectives alongside D5 Render and Adobe Creative Suite graphics for city and client presentations.

WSU School of Design + Construction

Pullman, Washington, United States

Graduate Teaching Assistant

Aug 2024 - May 2026

- Assisted seven course sections across four semesters, supporting Rhino, Photoshop, and Lumion instruction in Digital Representation.

P2P

Chattogram, Bangladesh

Architectural Designer

Nov 2020 - Jun 2024

- Led facade and envelope design across 20 projects totaling roughly 150,000 sq ft, 12 of them built or under construction, including a healthcare high-rise; named P2P's 2024 Best Architect for design excellence.
- Built the SketchUp models and cinematic visualizations that carried WECON residential high-rise facades to market, working from AutoCAD base drawings and partnering with marketing to tune the campaign content they fed.

HATIL Project Solution

Dhaka, Bangladesh

Junior Designer and Presentation Specialist

Dec 2019 - Nov 2020

- Produced interior shop drawings and construction document sets in AutoCAD for 5-star hotel projects in Bhutan, modeling in SketchUp and rendering photorealistically for client approval.

Axis Development Ltd.

Dhaka, Bangladesh

Construction Project Manager

Apr 2019 - Nov 2019

- Point of contact on the Channel 24 news studio interiors in the Times Media high-rise, a fit-out the client grew from one floor to three: interpreted architects' CD sets for the trades, held execution to design intent, and coordinated MEP, vendors, and adjacent trades.
- Controlled material intake for the interior packages: quantity lists on every delivery, client sign-off against specification before entry, dual-copy records. Built bills of quantity for payment applications and defended measured quantities in client audits.

Core Skills & Project Expertise

Design	Architectural Design, Construction Drawing, Design Thinking, Planning, Interior Design, Critical Thinking, High Craft
Technical	Revit, Rhino 3D, Grasshopper, ClimateStudio, AutoCAD, SketchUp, Sefaira, D5 Render, Lumion, 3ds Max, Adobe Creative Suite
Leadership	Project Management, Collaboration, Written and Verbal Communication, Mentorship, Leadership, Organization
Projects	Healthcare, Adaptive Reuse, Urban Design, Residential Highrise, Commercial Highrise, Hotel

Education

Washington State University

Pullman, WA

Master of Architecture (M.Arch.)

2026

Khulna University

Khulna, Bangladesh

Bachelor of Architecture (B.Arch.)

2018

Awards & Recognitions

2026	Edward Allen Student Award Building Technology Educators' Society (BTES), Washington State University
2024-25	Merit scholarships: NEWH Northwest (\$7,500), Page Michael Mace (2024, 2025), R.H. Logan Fund (2025)
